

Product Change Notification

TE Connectivity

Product Change Notification: P-21-020898

PCN Date: 10-MAY-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

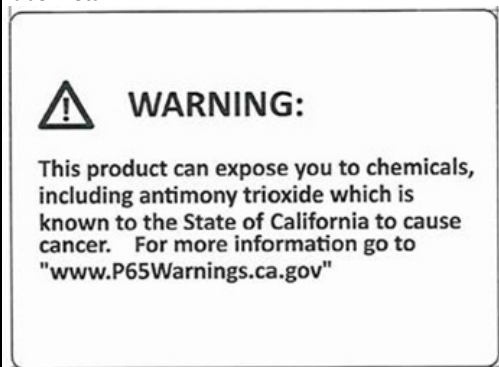

General Product Description:

Devices as described in below list.

Description of Changes

Adding Prop 65 label, further information below. No fit, form or function change.

Label Detail

Label

Reason for Changes:

Product improvement. In 1986, California, in the United States of America (USA), enacted the Safe Drinking Water and Toxic Enforcement Act into California state law. This Act, generally referred to as Proposition 65 (Prop 65), is broad law that applies to any company operating in California, selling products in California, or manufacturing products that may be sold in or brought into California. Online channels are now used to sell TE products which means products could ultimately be sold or brought into California. To ensure compliance with Proposition 65 requirements, we have made the decision to include warnings on these products. You will see Proposition 65 warnings on these products from 24 May 2021. Customers should evaluate the environment in which they intend to supply or utilise these products and make their own determination regarding their obligations under Proposition 65 to employees, consumers or other individuals in California.
