<b>Description and purpose of change:</b>			
Due to packaging optimizations, Würth Elektronik will change the packaging amount of WE-SAFB part 742700726. This change will lead to a reduction of the packaging weight. All products with date code 01.12.2022 or later, will be affected by this change. There will be no change in form, fit, function, quality or reliability of the product.			
<b>Detail of Change:</b>			
The Standard Packaging Quantity (SPQ) and Carton Packaging Quantity (CPQ) will change according to the following table:			
<b>Packaging amount before change</b>		<b>Packaging amount after change</b>	
SPQ [pcs]	CPQ [pcs]	SPQ [pcs]	CPQ [pcs]
200	2000	100	1200
The packaging method remains the same, only the number of pieces will be changed.			

**Reliability / Qualification Summary:**

Product approval is according to the specification criteria and is internally released by the Product Management Department.

**The following items are part of the internal release process:**

- Visual Appearance (Surface, Burr, Contaminations, ...)
- Approval of production line
