

Product Change Notification

TE Connectivity

Product Change Notification: E-18-007394

PCN Date: 21-MAY-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Rast 5.0 3 Position, 2 Circuit Positive Lock Mark III Housing

Description of Changes

TE was recently made aware that Dechlorane Plus, a chlorinated Flame Retardant, was added to the REACH SvHC candidate list by ECHA in January 2018. As a result, one of our PA66-GF0-V0 resins is no longer being produced. The part numbers listed are produced from this PA66 nylon. TE is taking swift actions to substitute this nylon with a new version with similar properties. All impacted part numbers are being superseded to new parts numbers using the replacement resin. This replacement resin has been performance tested and approved by TE as well as received relevant agency approvals comparable to the existing resin. We have evaluated our inventory position on this PA66 nylon and have estimated dates as to when we need to convert each part number. Our last ship dates noted within this PCN are an estimate as to when we will no longer be able to produce the impacted part numbers. We reserve the right to adjust this timing as needed based on material availability.

Reason for Changes:

Discontinuance. Dear Customer, You are receiving this notice because TE Connectivity has record of you purchasing a part or multiple parts on the list below. Within our continued efforts to manage/ optimize our product portfolio throughout the lifecycle, we've made the decision to obsolete the parts stated thereafter.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
22-MAY-2018	
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
24-MAY-2018	No Mixed Shipments

Part Number(s) being Modified:

Part Number	Part Discontinued per PCN	Customer Drawing	Customer Part Number	Alias Part Number(s)	Substitute Part Number	Substitute Alias Part Number(s)	Description Of Difference
