

Product End of Life Notice

- **Purpose**

Sharp Corporation is announcing upcoming EOL and Last Time Buy (LTB) period for the following Sharp distance measuring sensors:

- GP2Y0A02SKDF
- GP2Y0A710K0F
- GP2Y0D413K0F

- **Reason for EOL**

Sudden announcement of EOL of IC from ON Semiconductor which is used in these sensor models. Sharp could not find suitable replacement IC for these sensors.

- **Last Time Buy Date**

The Last Time Buy (LTB) date for these parts will be: August 29, 2022.

All LTB Purchase orders will be non-cancelable and non-returnable (**NCNR**). LTB-purchased parts cannot be returned for stock rotation.

- **Last Time Ship Date**

The Last Time Ship (LTS) date for this part will be: December 23, 2022.

- **Effective Date of EOL**

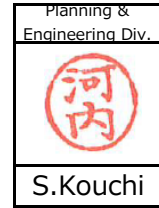

August 29, 2022.

To: Customer

Sharp Semiconductor Innovation Corporation

EOL request on some models of Distance Measuring Sensor(DMS)

We would like to express our sincere gratitude to you for your continued support.
Thank you for using our electronic devices.

Regarding the above-mentioned matter of DMS, after receiving a very sudden notice of the end of production from control IC production factory of On Semiconductor, we are working diligently to realize the 4M change with an alternative IC product in order to fulfill the supply responsibility to our customers. However, due to the incompatibility between the alternative IC and the current IC, it is difficult to apply the alternative IC to all models, hence we have decided to abandon the 4M change for some models and discontinue production.

We regret to inform you that we would like you to complete the last order by the following date. We apologize for the inconvenience caused by this sudden arrangement, and thank you for your cooperation. Since the current IC quantity is limited, we also apologize for the possibility that we will respond with the minimum quantity.

Best regards,

- (1) Applicable models (Distance measuring sensor)

No	Model name
1	GP2Y0A02SKDF
2	GP2Y0A710K0F
3	GP2Y0D413K0F

- (2) Reason
Due to difficulty in control IC 4M change
- (3) Last order deadline
August 29th, 2022
